Chairman's message

Hello and welcome to the February 2026 edition of the Town Council quarterly newsletter.

Hello and welcome to the February 2026 edition of the Town Council quarterly newsletter.

'Happy New Year to you all! I hope you all had a fabulous festive season and that 2026 is a great year for you and our community. Firstly the last few months have been a busy time, with lots of events going on.

Past Events

Our **Remembrance Sunday Parade** was, as always, a wonderful event and it was a pleasure to welcome Deputy Lieutenant Martin Darlow, who is a former Potton Resident, to our town. Martin was very impressed at how many of you came out and joined the parade to the Cemetery, and he returned to attend our Christmas Lights Switch-On.

In November it was great to see so many people of all different ages participate and make a contribution to making part of the mosaic at the two mosaic community workshops. **Read the Mosaic Trail article on page 8.**

The final Seasonal Market was held in December. The quarterly Four Seasons Markets have always been a feature of the town's calendar for in excess of 15 years, but attendance by traders and customers has slowly dwindled. The decision to not continue the market wasn't taken lightly and we are really grateful to the traders who have attended the markets over the years.

We are hoping to have a Street Food event in the Summer, and other events throughout the year; look out for announcements on the town council's social media, website and newsletters. Local groups and organisations may wish to arrange fundraising activities on the Market Square by contacting Central Bedfordshire Council.

Photo credit: Matthew Ayres

I was lucky enough to be part of the Elf Squad escorting **Father Christmas around the town**, shortly before Christmas. I will admit that it is one of the most fun things that I take part in! It is always wonderful to see the children's faces. Again, big thanks to the rest of the Elf Squad and Santa's Support Crew on his sleigh. As ever, the community gave generously to our collection and in excess of £300 was raised, which goes directly back to the Christmas Lights. Thank you for your support!

Photo credit: Matthew Ayres

I attended the Christmas Service of Carols and the Christmas Story at St Mary's on Sunday 21st December. It was a lovely service, and it was amazing to see how well attended it was - there was little room left in the Church.

I would like to extend a huge 'Thank you' to all our volunteers who gave their Sundays to **put up and take down the Christmas lights** in the Market Square. Without their support, we would not have such a spectacular display for our annual lights switch on. Of course, new volunteers are always welcome, so please keep an eye on the town council's website and social media for dates. **Read the Christmas Lights article on page 10.**

Town Council Budget

The Town Council is funded through a small portion of the Council Tax known as a precept and by income it generates. In January, Potton Town Council held a meeting of the full Town Council, where the 2026-27 budget and precept was set. It was voted to increase the council tax by 5%, to ensure a fiscally responsible budget. Potton Town Council increased its Band D by £0.79 per month or £9.42 per year. We are committed to maintaining our existing services to support Potton residents, and part of the increase in council tax is so that a weekly youth club can be provided in Potton from September 2026.

Future Events

Hopefully you will join me at the Annual Town Meeting on the 24th March. **Read the Annual Town Meeting article on page 6.**

There is always a lot going on in our vibrant community - do look out for forthcoming events especially as it is a Party on Potton Big Weekend year. If you are new to Potton, this is a biannual event organised by the Party On Potton Charity over four days of the August Bank Holiday weekend. Look out for further updates throughout the coming months.

Hopefully, we are over the worst of the cold weather that we have had since New Year. It will not be long until the days start to get longer and Spring is in sight.

With all good wishes for 2026.

Vicki

Cllr Vicki Gwilliam

Your meeting. Your town.

Annual Town Meeting
Tuesday 24th March at 7pm

The Annual Town Meeting will be held by Potton Town Council at the Community Centre, Brook End on **Tuesday 24th March at 7pm**. It is a chance for residents to talk to their town council about issues of concern in Potton.

Chairman, Cllr Vicki Gwilliam will speak about what has been achieved in the year, what is planned for the future and answer questions.

POTTON TOWN COUNCIL

Members of the public may address the meeting and raise any issues they feel should be considered in the future. If you wish to participate, please contact the Town Clerk at **enquiries@pottontowncouncil.gov.uk** by 9am on Monday 23rd March giving your name and address.

So come along, meet the people who represent your views and tell them how well you think they are doing and what you feel should be their next priority.

This is **your meeting** about **your town**. Please join us!

Town Council Information

For enquiries regarding the following: Cemetery, Allotments, Henry Smith Playground, Mill Lane Playground, Recreation Fields, Public Conveniences, Brook End Car Park, Mill Lane Pavilion and Community Centre, or if you wish to contact a member of staff please email **enquiries@pottontowncouncil.gov.uk** or call **01767 260086** and leave a message.

You can find lots of information on the Town Council website: **www.pottontowncouncil.gov.uk** or **@PottonTownCouncil** or **@pottoncouncil**

Town Council Meetings

Tuesday 3rd March and Tuesday 5th May 2026

Funded by UK Government

Central Bedfordshire

Mosaic Trail

In the October 2025 edition of the newsletter we advised that further projects will be funded by the UK Shared Prosperity Fund and Rural England Prosperity Fund and that included a mosaic trail. The mosaic was designed and handcrafted by Claire Costello, a professional mosaic artist, in collaboration with local organisations and the wider community. Following the workshops Claire will complete final assembly, grouting, and finishing in her studio and It is planned installation will be completed in the Spring.

Potton Hall for All

Registered Charity number 1158751

Potton Hall for All is excited to launch our brand-new website!

www.pottonhallforall.org.uk Visit our website and discover how Potton Hall for All is bringing the community together.

Opened in March 2025, our modern, fully accessible community hall was created for everyone – from local clubs and classes to conferences, celebrations and events. Our main hall is ideal for children's parties with plenty of space to run around and fit in your bouncy castle! The new website makes it easy to find out what's on, make a booking, explore our flexible spaces, and get involved.

Christmas Lights Volunteers

Author: **Cllr Carol Leggatt**

I felt that it would be a good idea to enlighten you all about how much effort is given by a relatively small number of volunteers in the town to put on our superb Christmas Lights display and events over the festive period and this includes the switching on of the lights. If it wasn't for this willing group of people, Potton could not put on such a wonderful display.

Twelve months of careful planning goes in to providing Potton with the annual Christmas lights display and this includes the installation and taking down of the lights. Many volunteer hours are undertaken between January and October in getting the lights ready for the forthcoming year's display and this includes testing and replacing as necessary all the lighting systems – festoon strings, motifs, static displays, and in excess of 2,000 tree lights.

The setting up and removal of the lights display is completed by a willing band of around 20 volunteers who gather on Sunday mornings in November and then again in January. Deepdale Trees provide a Merlo telehandler and safety cage which is of great assistance with installing and taking down of the lights.

On the day of the Switch-on event volunteers set up the Market Square with a stage and sound system, Santa's Grotto, organise stallholders and local organisations. At the end of the event everything has to be dismantled and put back into storage before the road closure finishes.

The town council is very grateful to all our volunteers. If you would like to help, please do email me. carol.leggatt@pottontowncouncil.gov.uk

What do you think about Potton?

We would like to thank everyone who participated in the Town Centre User Benchmarking surveys during Autumn 2025.

Over 500 surveys were submitted. This means we can now compare with the figures from the previous surveys in 2021, 2019 and 2017 to see what has changed. We can also compare the results from Potton with other towns in Central Bedfordshire: Ampthill, Biggleswade, Dunstable, Flitwick, Houghton Regis, Leighton Buzzard, Potton, Sandy and Shefford.

The findings highlighted here are just a summary of the full report which you can view at the bottom of the Neighbourhood Plan page of the town council website: **www.pottontowncouncil.gov.uk/n-plantown-plan**

Retail offer & customer service ✓

The Retail offer in Potton (36%) has remained steady over time and is now the highest after Ampthill (41%) and far stronger than Biggleswade (11%) and the national average score (22%).

Cafés and restaurants ✓

Cafés and restaurants show strong long-term improvement. (From 30% in 2017 to 59% in 2025). Potton is now placed just behind the bigger towns of Ampthill and Leighton Buzzard.

Convenience & ease of walking ✓

Convenience and walkability remain core strengths of the town centre. Potton performs strongly at 66% for access to services and 74% for convenience, matching or exceeding most towns except Houghton Regis. This confirms Potton's role as a reliable everyday service centre for residents.

Physical appearance ✓

Potton has the highest score of all towns in Central Bedfordshire (79%), well above the national average (45%) and significantly ahead of all nearby towns such as Biggleswade (50%), and Sandy (15%). This hasn't changed since 2017.

Cleanliness ✓

Potton consistently leads the way in cleanliness (63%) beating both Sandy and Biggleswade who scored below 40%. This figure has remained steady since 2017 and beats the national average by some way.

Car parking ✗

dissatisfaction has increased from 44% in 2019 to 72% in 2025 and is now the biggest negative issue.

Plastic Free Potton

Author: **Rebecca Beattie**

The first plastic free town accreditation in Bedfordshire was recently awarded to Shefford after many years work by the group Sustainable Shefford and, having been involved with some of that work, I've been inspired to try and do the same for Potton. It feels like natural progression from the work we've done with Potton Recycling to build on that and make efforts to reducing single use plastic in all our lives. I'm hopeful there are plenty of local residents who are willing to come with me on this journey too?!

What do we mean by 'plastic free' though? Plastic is used for anything and everything, and of course not all plastic is bad. The problem starts when it's avoidable - used for a moment and then thrown away. Thanks to big business endlessly pushing it on us, we're caught in a single use plastic trap and it's choking the planet. Plastic in the environment breaks down into smaller and smaller pieces called micro plastics and nano plastics. These tiny particles enter the food chain, water supplies, the atmosphere and our bodies. With only 9% of plastic being recycled globally we know now that only by changing our habits and reducing our use of single use plastic are we going to get out of this mess.

Of course Potton is already very eco friendly - with many local initiatives. For example, I've loved seeing the reusable drinks glasses produced for Party on Potton! Some of you may remember many years ago when local residents signed up for Plastic Free Potton and they focussed on reducing plastic bags by delivering every household in Potton with a cotton bag printed 'Cotton for Potton'. This is the power of grassroots movements driving change that eventually becomes socially normal - nowadays we think nothing of taking our reusable bags when we go shopping. I'm hoping we can all join in and find new ways to reduce single use plastic in our community.

If you want to read more about this the main website is **www.plasticfree.org.uk**.
If you have an idea or want to get involved please get in touch via Potton Town Council or come along to the next council Environment Committee meeting on Tuesday 24th February at 7pm in the Community Centre.

Join Potton's New Nature Watch!

Authors: **Cllr Charles Craig**

Are you passionate about the natural world on our doorstep? Do you enjoy seeing the signs of nature and changing seasons as you walk around Potton?

We're considering forming an informal, resident-led group dedicated to observing, and recording the wildlife that make our town and surrounding countryside so special - and we'd love you to be part of it.

Everyone is welcome and you don't need to be an expert - simply someone who appreciates a good countryside stroll.

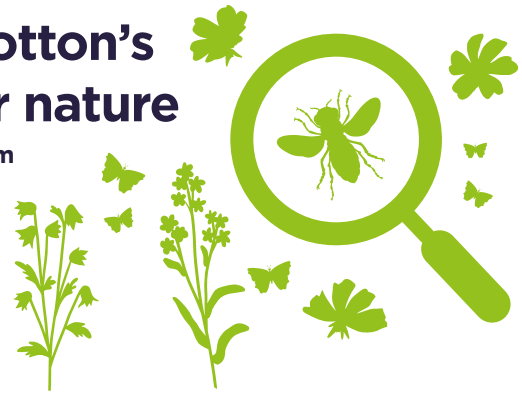
Our aim is to build a clearer picture of local wildlife, and celebrate what we have, share and enjoy photos and help build a community wildlife record. Observations - big or small - all help to build a picture about our local wildlife and in some cases point to how we might give it a helping hand.

If you'd like to get involved, stay updated, or simply show your support, please email **charles.craig@pottontowncouncil.gov.uk** to register an interest. In the coming months we hope to arrange a meeting for those who expressed an interest and hope to see many of you there.

Let's enjoy Potton's natural beauty together - and help protect it.

The importance of Potton's flowering borders for nature

Authors: **Cllr John Day and Dave Buckingham**



Those who regularly visit Henry Smith Playing Fields should have noticed last Summer's strip of flowers alongside the Millennium Path. Their sowing was first reported in the July 2023 newsletter and as with all newly created flower areas, establishment is slow. It is usually from the second year onwards they gradually come into their own. Not only was this noted by visitors last Summer but also by the many wild pollinating insects it attracted.

Wild pollinators such as social and solitary bees and wasps, hoverflies, butterflies, and moths to name but a few are in serious decline for many reasons, including habitat loss, pesticides and pollution. They are responsible for over 75% of food pollination, compared to around 25% from domestic Honey Bees. Providing new areas of flowers in our towns, cities and rural areas help give these insects a lifeline.

The flowering strip in Henry Smith Playing Fields attracted a huge number of different species such as bees, hoverflies, ichneumons and sawflies to feed on the super abundance of flowers. These insects breed in suitable nearby habitat and the flower strips provide an important source of food in their life cycles.

Most are regarded as beneficial to agriculture, gardens and natural habitats. Many are pollinators and there were significant numbers of pest regulators (aphid-feeding hoverflies, parasitic ichneumon wasps). There was one agricultural pest taking advantage of the flowers: Turnip Sawflies were present in huge numbers. Some of the ichneumons (still not identified to species) may be responsible for regulating sawfly populations.

Many of the bee species require dry, bare ground, where they can dig their nest burrows. A number of the scarcer species were specialists that nest in sandy ground: notably Pantaloon Bees, Long-faced Furrow-bees and at least three species of Blood-bees. Pantaloon Bees get their name from the big, bushy pollen brushes on their hind legs, resembling bulbous pantaloons. We have these sandy ground specialists because Potton is on the Bedfordshire Greensands. It is likely that these bees are nesting in nearby field edges, gardens and road verges, where the bare sandy ground is exposed.

This site is one of five others in Potton that have been created or are being managed for pollinators. They have all been registered on the Buglife B-Lines project map. B-lines are a series of 'insect pathways' throughout our towns and countryside where communities and organisations are creating stepping stones linking existing areas together like a national rail network. This provides areas of brand new habitat benefitting pollinating insects and a host of other wildlife.

Your new bus route to Cambridge

Hop on the new X75 from Biggleswade, Sandy and Potton

New X75 Bus Service to Cambridge – A Real Win for Potton

It was with great excitement I got up really early on 5th January - not only because there was snow on the ground, but because it was the first day of the new X75 bus service to Cambridge.

When the bus pulled up at the Market Square, I was delighted to see people already on board having got on in Biggleswade and Sandy.

And for just £3 I was soon heading to the heart of Cambridge. I was off to Fitzbillies with my son for breakfast; others on the bus were travelling to college or making onward connections.

Passengers who are under 19 have an additional benefit: they can apply for a free Young Person's (YP) Card from Central Bedfordshire Council, which allows them to travel for just £1 on all journeys which start or end in Central Bedfordshire.

The new route is such great news for our area; it is a much-needed public transport link to Cambridge and all the opportunities the city offers whether that is work, education, shopping or leisure.

The first weekday service arrives at Drummer Street bus station at around 7.40am which gives plenty of time for onward travel for work or college.

The route also provides improves our choices to get to Sandy and Biggleswade, and links with the train stations, and it opens up a car-free option to visit Wimpole Hall, something a number of people have also welcomed.

For me, it was just so nice to get into the city centre in less time than the park and ride, and far more cheaply than parking in the city centre.

The service is operated by A2B Travel and offers several journeys each way, Monday to Saturday. It feels like a personal victory for me as I have been lobbying Central Bedfordshire Council for improved links to Cambridge for many years. I am grateful that the service is being supported through funding from the Government's Bus Service Improvement Plan, but continued success will depend on people using it.

The council's bus subsidies are under constant pressure, and services only survive if they are well supported. Every ticket sold helps give Potton, Wrestlingworth and our neighbouring towns and villages value, sustainable, accessible and affordable public transport.

I truly hope the X75 becomes the first choice for travelling to Cambridge. By using it, we are not only opening up opportunities for non-drivers and reducing traffic on our roads, but also helping to secure the future of this much-needed service.

For full timetable and route details, and to apply for a YP Card, please visit: **www.centralbedfordshire.gov.uk/bus**

See X75 timetables overleaf.

Garden Waste

Potton's garden waste collections will resume on **Friday 27th February 2026**, and Central Bedfordshire Council will align with the **Government's Simpler Recycling scheme** which requires glass bottles and jars to be collected from the kerbside from 31st March 2026. Find out more by visiting **www.centralbedfordshire.gov.uk/info/2/waste_and_recycling/1200/glass_collection_and_glass_recycling**

News from St Mary's

Author: **David Tall**

Photo credit: Matthew Ayres

We held the Annual Baby Loss remembrance service on 12th October, followed by the All Souls Service on 2nd November and rounded off our commemorations with the Rector leading the town's Remembrance Day Service on 9th November.

We provided a full programme of well supported Christingles, Carol Services, Concerts, Midnight Mass and Christmas Day Services throughout the Benefice and we were pleased to support the town's Christmas Lights Switch On and December's Seasonal Market, whilst 12 people made up our choir to sing carols in the town's pubs!! One of the highlights was providing Christmas lunch and tea for 25 people in the Church Hall on Christmas Day.

Details of our services can be found in the fortnightly, Benefice-wide, free newsletter, The Link. You can be added to the list of Link readers by contacting **benefice.com@gmail.com**. Meanwhile, we have started our six week course under the Start! banner, which lasts about an hour to help attendees explore their faith.

Our Open the Book Team visited Potton Primary School on 8th December to read and perform the Nativity and we are thrilled that our monthly Family and Friends service continues to provide such a wide variety of activities. Friends and Family are held on the first Sunday of every month except for August and January.

Our Link Café celebrated its second birthday in September and remains a huge success. We hold it from 10am to 1pm on the last Saturday of the month in the Community Centre. It has been a joy to see so many people supporting it.

Our magnificent Events Team have great plans for 2026 and these are posted regularly on our website **www.pottonparishchurch.org** (Calendar) or **Twitter @StMarysPotton**.

We are here for you. Need support? Please contact **alex.wheatley.rector@gmail.com** or call **01767 764062**. Please also remember you do not need to be a church goer to ask for any help.

We ask that you keep the many troubled areas of the world in your prayers.

Potton Community Agent News

Supporting the over 60s in Potton

Tablet training group

Tablet training group

If you would like to learn how to use emails, the internet or book medical appointments then why not drop in to the free sessions on Wednesday mornings at the Community Centre, Brook End, between 10am and 12 noon. We can also help you learn how to use your new smart phone or tablet. Refreshments provided. Please get in touch for further details or just pop in.

Are you new to the community?

If you are looking for groups and activities to get involved in, but not sure what's available then contact Andrea who can help you find something you may be interested in. Or why not come down to the Community Café, every Thursday morning between 10am and 12 noon, at the Community Centre, Brook End. Andrea and the team will be there to welcome you with refreshments and a friendly chat.

Blue Disabled Badges

If you have a disability or illness which limits your walking ability then you may be entitled to apply for a Blue Badge to enable you to park in a disabled bay. You don't need to be a car owner or driver; the badge is valid in any vehicle as long as you are a passenger.

Attendance Allowance

A non-means tested benefit for people over state retirement age to help with extra costs incurred because of a severe illness or disability. You could get as much as £110.40 per week. Andrea can help you to claim if you think you might qualify.

Benefits guidance

You may be entitled to Pension Credit if your weekly income is below £218.15 if you are single or £332.95 if you are a couple. You must both be over state pension age if you live as a couple.

Brook End Community Cafe Team

If you have any issues you need advice or support with, please contact Andrea in confidence.

Tel Andrea mobile: 07590 359 630
(working Weds & Thurs only)
or email: andream@bedsrcc.org.uk

Kindly funded by Potton Consolidated Charity with support from Potton Town Council.

Fundraiser Coffee Morning

Potton Youth Council will be holding a fundraiser coffee morning in the Community Centre on **Saturday 16th May 2026 from 9.30am.**
We will be selling tea, coffee, and cakes, with gluten free options available.

We are fundraising for East Anglian Air Ambulance. **Come in for a chat and a drink!**

New Youth Councillor, Stephanie

What's it like being a New Youth Councillor?

Stephanie joined Potton Youth Council in October 2025 and says...

'I chose to join the youth council as I am committed to making Potton a community where younger and older generations are connected and represented. I believe meaningful progress is achieved when generations listen and work with one another to build an equal future.
In my free time, I enjoy learning languages, practising yoga, and reading novels. I also write short stories and research for essays, as I value the opportunities they give me to think critically and express my ideas clearly.'

Vacancies for Potton Youth Councillors

We believe that young people are the future of our communities and we feel it is important that we as a town council invest in them. Potton Town Council supports Potton Youth Council in achieving the following objectives:

- To develop a culture of participation in the democratic process and to develop an awareness of citizenship.
- Be empowered to take decisions and actions to improve the community they live in.
- Form partnerships with local and national organisations.
- Promote respect for each other and the community.
- Encourage all young people to have a voice and believe their views are valued.

If you would like to be a part of this exciting adventure you must fulfil the following criteria:

- Potton resident and/or attend a school and/or organisation in Potton.
- School Year 5–13.
- Have consent from a parent or guardian.
- Commit to attending meetings.

If you can satisfy all of the criteria and are interested, please complete the application form along with the parent/guardian consent form, which you can download from:

www.pottontowncouncil.gov.uk/vacancies

Please send the completed form to:

Mrs Claire Massey, Deputy Town Clerk, Potton Town Council, The Community Centre, Brook End, Potton, Bedfordshire SG19 2QS

or email to: **enquiries@pottontowncouncil.gov.uk**

We look forward to hearing from you!
